---

## EXPERIENCE

**SOMANADOR — Nador, Morocco** Jun 2024 – Aug 2024  
*Business Development Intern*  
– Supported cross-border logistics operations in the Spain–Morocco trade corridor, managing supplier and customs relationships on both sides of the border  
– Analysed freight volumes and route efficiency; contributed to a cost-reduction proposal that delivered ~8% savings on select routes  
– Leveraged native Spanish and Tamazight to negotiate directly with local operators and port authorities in Melilla and northern Morocco

---

**Navantia Shipping — Morocco** Jun 2023 – Aug 2023  
*Operations Intern*  
– Coordinated vessel scheduling and logistics documentation across the Iberian Peninsula  
– Built weekly operational KPI dashboards for senior management; identified a scheduling inefficiency reducing idle time by ~5%

---

**Agriland — Rabat, Morocco** Jun 2022 – Aug 2022  
*Analyst Intern*  
– Conducted market research on agri-supply chain trends across North Africa and Southern Spain  
– Supported due diligence on potential commercial partnerships with Moroccan producers  
– Delivered a sector analysis report used in a client presentation on cross-border agricultural trade opportunities

---
